KEYHOLE VIEW

of ...

...MILL CREEK HIGH SCHOOL

ERIE, PA.

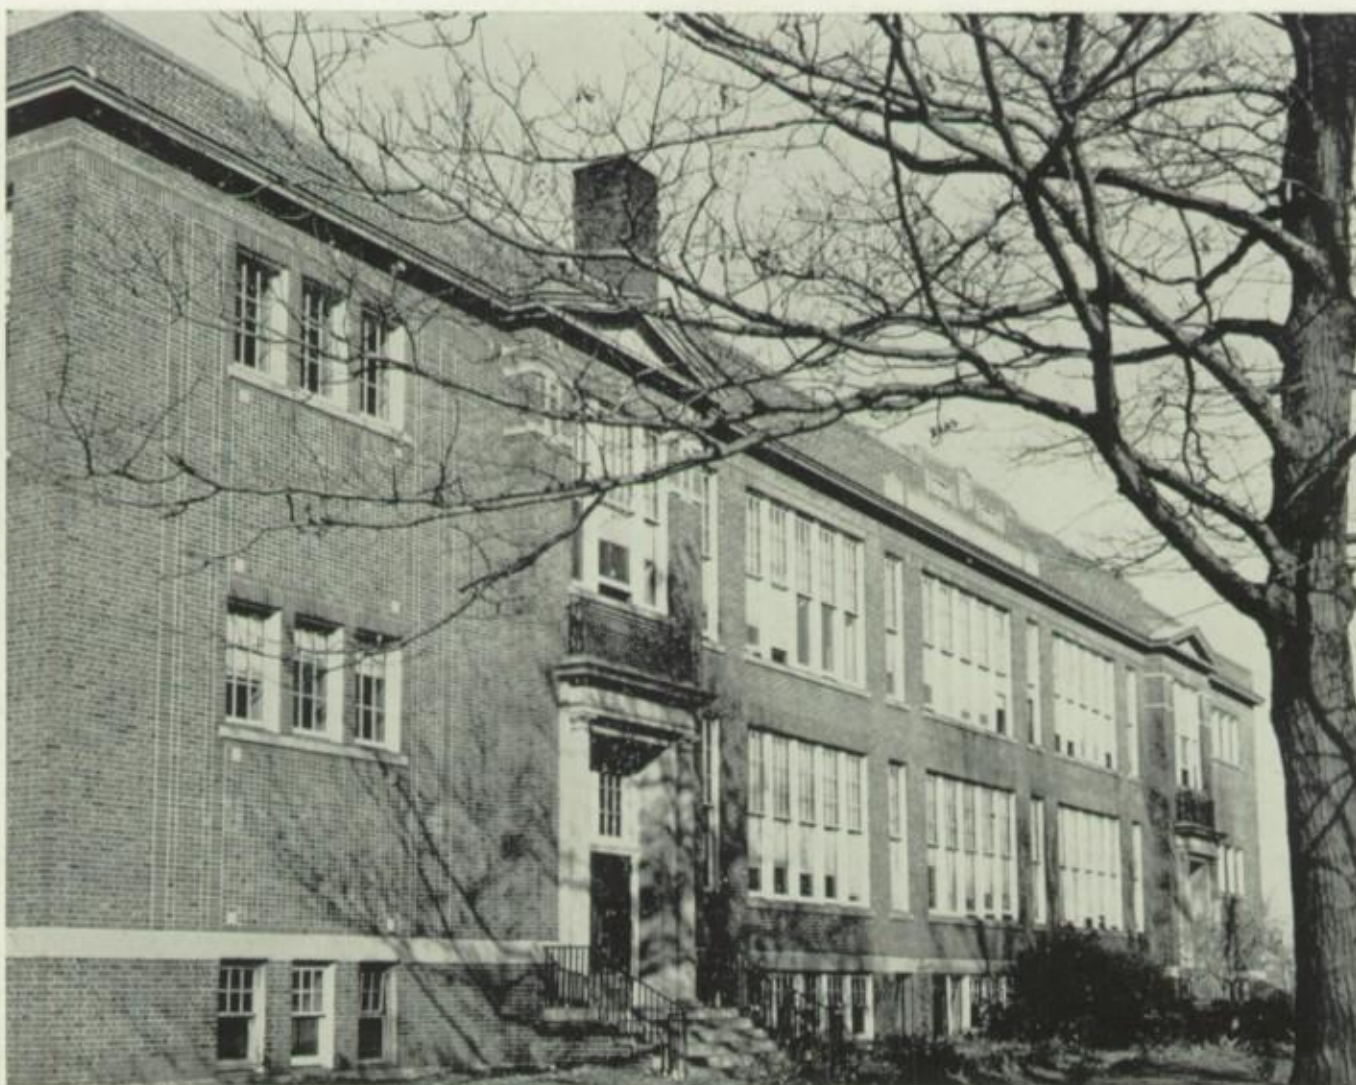

Mrs. Dorthea Samuelson

Words in themselves are quite inadequate to describe our warm affection for Mrs. Samuelson. With this in mind, we merely wish to say that without her pleasant smile and wonderful personality, Millcreek would have been a much poorer place in which to receive an education. It is an honor and a privilege to be able to dedicate this volume to her.

Foreword

Although this is the year 1950, in the age of the H-Bomb, the flying saucer, and Milton Berle, we have resorted to three rather common tools to bring you this volume—the camera, the brush, and the pen. With these simple devices we have created a "magic keyhole" through which you may look into the halls and classrooms of Millcreek. There you will see the pupils and their teachers engaged in a hundred-odd pursuits, some funny, some not so funny, and some serious. In years to come, we hope this book will serve as a source of many pleasant memories to those of you who are already familiar with our school life. To those of you who are not familiar with it, we hope these pages will serve to show the spirit of Millcreek, both in school and on the athletic field. The entire staff welcomes you to the 1950 KALDRON; may you receive as much enjoyment from it as we did.

Faculty

Supervising Principal . . .

My congratulations and best wishes to the Class of 1950. While in school your class has contributed scholastically, socially, athletically and provided leadership in many of the school's activities. I am sure that the school is better because of your having been here.

On behalf of the school, I hope that it has provided experiences which have contributed to your well-being. That these experiences will give you confidence and a basic knowledge to solve future problems. That you are a more rounded person, capable and willing to become a worthy member of a democratic society.

Sincerely,

JAMES S. WILSON

MR. WILSON

MRS. SHIRLEY KESTLE

MR. GOODRICH

MRS. RUTH BLAIR

As I think of the ideals we have been trying to build here at Millcreek, I have come to some conclusions. I would like our high school to develop these things in our students. First, straight thinking. They must face facts as they are, not warp or twist them to their own advantage. Second, respect for the abilities and consideration for the rights of others. We would teach them that there are no superiorities, except those of merit, service and achievement. Third, knowledge—they must learn that education is not only the acquiring of an assortment of facts, but also the ability to find out things for themselves and to know where information may be found. Fourth, wisdom to discover that task the execution of which will make them happiest. When they have found that thing which they like best to do, we would set them in the way of learning to do it well.

Since the student comes to school young and fresh, it is our hope that we may start him on the ways of thinking, learning, and doing, and thus accomplish our mission of helping our youth to live their lives to the fullest. It is my sincere wish that the members of this graduating class will look ahead with the realization that their best work were yet to be attained.

Sincerely,

BRUCE A. GOODRICH

Emblems of the Departing Seniors

Senior Class History

After twelve long years of schooling, holding both enjoyment and hard work, the Class of 1950 has reached the end of its high school education. Its members will long remember these years and, in addition to our added knowledge and broader outlook on life, we will hold cherished memories of the "little things" in our high school days. Each of us will remember definite characteristics, favorite sayings, and humorous incidents connected with the faculty and our classmates.

Perhaps the most accurate way to describe our advancement in school is to use the words of previous Kaldrons connected with our class:

1944-45—"After having what looked like tiny midgits come banging innocent-eyed into our classes, we found that they were just the seventh graders finding their way around." Most of us were not very much at ease upon entering Millcreek for the first time; these upperclassmen certainly looked big! It wasn't long, though, until we made ourselves at home; we seemed to realize that someday we would be the mighty Seniors.

1945-46—"We all accept the eighth graders as regular fellows by this time." We felt a little better when we found ourselves in eighth grade, because we weren't the smallest ones in the school anymore.

1946-47—"This year's 'Freshies' have established themselves as one of the most outstanding groups in our school." The fact that we were Freshmen put a bit of pride into our gait as we strolled the halls, for the title "Freshmen" was so mature sounding. We began our leadership in school activities, holding a class party and sponsoring a successful skating party. For the first time, we elected our class officers: Dick Winslow, President; Brewster Price, Vice-President; Phyllis Bridger, Secretary; John Filler, Treasurer.

1947-48—"The 'Sophies' this year got off to a good start with a splendid

representation in extra-curricular activities." Again we sponsored a skating party, which seems to have become a traditional thing here at Millcreek. Members of our class held significant positions in all activities, athletic, musical, and cultural. Our class officers for the year were: John Filler, President; Kathryn Mundy, Vice-President; Mary Leonard, Secretary; Jack Komora, Treasurer.

1948-49—"In all phases of school life the juniors took an active part." At last we were next in line to the glory of graduation, and few of us will forget the debating connected with the selection of our class rings. Our junior play was a great success (in spite of the mumps) and was thoroughly enjoyed. We assisted

Our officers, the guiding minds of the class

Standing: Pres. Don Corbett, Treas. Alan McCombs. **Sitting:** Sec. Audrey Volkman, and Vice Pres. Sonya Stroble.

in promoting the memorable Junior-Senior Prom, and completed the year by serving as ushers and usherettes for the Baccalaureate and Commencement services. Our class officers for our Junior year were: Larry Laughlin, President; Kathryn Mundy, Vice-President; Jim Jackson, Secretary; Florence Zook, Treasurer.

1949-50—Finally we reached the place of the highest and mightiest class in the school. One can even notice the greater degree of respect shown by teachers to their senior classes; it seems that they accept the seniors on even terms as adults. Our senior year can really be summed up in one word: "Responsibility." We were looked upon as the ones to set the example for the other classes; we had the responsibility of producing a yearbook for the school; and last, but not least, was the responsibility in holding significant positions in the various activities throughout the school. More business was brought up, and as a result, more class meetings were held, with our senior class officers presiding: Don Corbett, President; Sonya Stroble, Vice-President; Audrey Volkman, Secretary; Alan McCombs, Treasurer. The senior play, "Night of January Sixteenth," was very successful, in that it was different from any other done here in previous years.

Each year in school seemed to go faster than the years before, and it seemed that we had just begun our year when it was nearly over. Soon our class will be scattered, (some of its members securing jobs or going into business, and a still greater amount will be entering colleges throughout the nation, intent on furthering their education.) But wherever our hopes lead us, we will be striving for success.

The most memorable time in our days at Millcreek was receiving our long-awaited diplomas, and we will never forget our Baccalaureate and Commencement services.

Senior Class of 1950 presents "The Night of January 16"

"A body hurtling hundreds of feet from the top of the world's tallest building to land with a sickening thud on the hard, unyielding pavement . . ."

So begins the dramatic opening exclamation of a big-city prosecuting attorney in the trial of a beautiful secretary Miss Karen Andre, in the ghastly murder of her employer, Mr. Bjorn Faulkner, a business tycoon. During the process of interviewing the several key witnesses, the whole history of Faulkner's ill gotten financial empire, false love affairs, and warped personality is revealed. Through skillful questioning the two shrewd attorneys, Mr. Flint and Mr. Stevens, obtain all the details of Miss Andre's movements on the night of January 16. They even manage to place her at the rooftop penthouse of Faulkner at the time he was killed.

Just as the tide of evidence turns against Karen, Regan—a tough mobster and pal of Faulkner—returns from his hiding place in Argentina. His testimony implicates a

heretofore unsuspected party, John Gram Whitfield, the father of Faulkner's wife, Nancy Lee. This is the high point of the entire play, and soon thereafter the jury (selected at random from the audience) retires to its chambers to deliberate the decision. As in a real trial, the jury report is based on the evidence presented, and the ending of the play depends upon the decision of the individual jury trying the case.

In addition to an uncertain ending, the production included several other unusual production angles; witnesses were called from the audience, strict courtroom procedure was enforced upon the audience in the matter of rising and maintaining order, etc.

The good performance of the actors, the excellence of the directing done by Miss Natalya Holland, and the originality of the play itself combined to make a most interesting production.

With the clash of gears and a clank of turning wheels, the minds of the various members of the Kaldron Staff began to grind out ideas for producing this yearbook. Soon after the staff was organized in early October, they chose a cover design and contracted with the printer and engraver.

Although slightly hampered by their late start, a planning committee soon finished the rough layout, and then the difficult task of photographing the entire student body, the members of the various organizations and clubs, and the faculty was completed. With this job finished, the staff met their first engraver's deadline with a stack of prints, including some very fine work by the art staff and student photographers.

With the pictures under control, the department heads then began three simultaneous campaigns—subscriptions, advertising, and editing. Eventually write-ups began to come from hot pencils and smoking typewriters; even the underclass section was handed in by the paste-smeared, eye-weary manager.

This material was assembled into a bulky printer's dummy, and eventually proofs of the printed pages began to trickle back. Once more, the staff set to work reading, and making corrections; then back to the printer went the copy. Long after we had given the KALDRON up for lost, it came back, all shiny and new and smelling of printer's ink—a final, departing product of the brains, pens, and brushes of the now extinct Kaldron Staff of 1950.

Kaldron Staff Heads

Seated: Judy Ryan, Advertising Manager; Ashley Swift, Sports Manager; Jim Jackson, Editor; Frank Patton, Business Manager; Phyllis Bridger, Underclass Manager. **Standing:** Donald Lambert, Senior Manager; Harry Elliott, Assistant Editor; Florence Zook, Assistant Business Manager; Donald Rust, Art Manager; Peggy Heldt, Activity Manager.

National Honor Society

Seated: Audry Weber, Donald Lambert, Dorothy Benacci. **Standing:** Miss Zuck, Audry Volkman, Marilyn Longley, Violet Schneider.

"The light of learning" is a well-known motto around Millcreek, and it can mean only one thing—the National Honor Society. The members of this group are chosen by the faculty and must excel in four things: scholarship, leadership, service, and character. Every spring a certain percentage of the senior class may be accepted into the organization, and approximately six students are chosen in their junior year. New members are brought into the National Honor Society during a solemn service. It is truly a great honor to belong to this nation-wide organization.

Officers for the past year are: Don Lambert, President; Audry Volkman, Vice-President; Marilyn Longley, Secretary; and Violet Schneider, Treasurer. The group has been under the capable sponsorship of Miss Zuck.

1950 Football Review

The outlook of Millcreek's '50 football season was very bright. With ten returning lettermen reporting to the opening practice, the outlook was very hopeful.

Our team combined fight, drive, good sportsmanship, and co-operation to result in one of the best seasons witnessed for several years. A fine record of six wins and three losses was posted by our team in a season which saw us meet top teams from both the city and district competition.

Millcreek's line this year was exceptionally heavy having an average weight of 190 lbs. The backfield was also well possessed with weight, averaging 170 lbs. Millcreek's style was hampered throughout the season by frequent injuries. Don Gorr was the first to be hurt, suffering a broken collar-bone. Next came Bill Loesch with a fracture of the right arm; then another backfield man, Chuck Knight, received an injury to his hip. In the same game Rich Vommoro took a bad beating but remained in the game; for the remainder of the season he played with his ribs taped. All four of these injuries were suffered by backfield men. Then came the most serious and possibly the hardest felt injury of the current season, Jack Komora, our veteran center, suffered a broken jaw and a fracture of the neck.

Millcreek Varsity Football Team

Millcreek was represented in the "All Star Game" by two of our fine players, Dave Spute, a lineman; and Chuck Knight, one of our backfield stars during the current season. Both boys played a "bang up" game and proved to be very worthy representatives of our school.

Highlighting the football season was the crowning of Kathleen Hunter, the football queen. The presentation of the queen and her attendants, Peggy Heldt and Audrey Weber, took place before the East-Millcreek game started here at the Millcreek field.

A large following of spectators added to the enthusiasm at the games and attested to the fine coaching provided by Gus Anderson and his two assistants, Paul Goll and John Kola.

MILLCREEK SWAMPS GIRARD 32-0

In our opening game, the Millcreek team found its weight and speed a major factor in holding Girard to one first down.

The touchdowns were made by: Virosko, Gorr, Harrington, and Corbett; Jack Komora made 2 out of 5 placements.

TROJANS DOWN ROCKETS 6-0

The Trojans, after being stopped on the eight yard line late in the half, came back in the last quarter to drive 65 yards, finally crashing over from the 2-yard line for the only score in the game. This was a well earned touchdown which climaxed a hard fought game seeing both teams strong on defensive power.

TROJANS ROUT PARKERS 31-0

Unbeaten Millcreek rolled up its third victory in three starts by beating Lawrence Park 31-0. As a crowd of 1,500 people watched, Chuck Knight carried the ball for 2 touchdowns; the third tally resulted from a pass from Knight to Corbett. Frank Storracci scored the final touchdown by pouncing on the ball, which had been blocked by Jim Jackson in the end zone.

MERCER BOWS TO TROJANS 32-0

The Mustangs witnessed a "Knight" they won't forget, Chuck Knight, that is. In the first period Knight tossed a 30-yard pass to Komora to give Millcreek, a 6-0 lead. Knight then plunged over from the one-yard line putting Millcreek ahead 12-0. A 40-yard aerial from Knight to Corbett resulted in a 18-0 halftime advantage. Knight followed in the third quarter with another pass for a touchdown to LeJeal. For the final score Knight carried the ball around left end, for his second touchdown of the evening.

HICKORY WHIPS UNBEATEN MILLCREEK 12-6

Millcreek suffered a beating which was spearheaded by big Jim Jefferies, a 230 lb. fullback who seemed to gain ground at will against Millcreek's line. Larry Laughlin blocked a punt on Hickory's 12 yard line and set the scene for a touchdown play scored by Don Virosko in the first quarter. Chuck Knight, right halfback, was injured early in the game, thus weakening Millcreek's chances for retaliation.

EAST TRIPS TROJANS 25-0

The East High Warriors outplayed and outclassed a slower Trojan team by swamping them 25-0. East garnered two six-pointers in the initial period and one in each the second and third quarters to put the game on ice. The Trojans threatened twice in the waning moments of the game but their passing game failed and the scoring fizzled there. East did their most damage by their fast break-away runners. They scored three of their four touchdowns on long dashes. This was Millcreek's poorest showing of the entire year.

TROJANS FIGHT BACK 28-12

The Oilers, in just four plays, scored a touchdown which immediately put fight and spirit in our team and the will to come back and win the game. In the second quarter Chuck Knight passed to Ralph Harrington for a touchdown climaxing an 80 yard drive. Chuck Knight then skirted around right end for a touchdown, making the halftime score 14-6 in Millcreek's favor. In the third quarter Knight passed to Robertson for the fourth touchdown; Komora successfully converted for four straight extra points. The final score was rounded out when Oil City passed late in the fourth quarter for their second touchdown.

MILLCREEK TROUPS HARBORCREEK 34-6

Millcreek got off to a good start with Chuck Knight running 55 yards to score on the first running play of the evening. Millcreek tallied 34 points before Harborcreek scored on an 80 yard run. All in all, Millcreek did well to avenge last year's 13-7 loss.

CONNEAUT EDGES MILLCREEK 18-7

The Conneaut team got off to a fast start with a 65-yard run and a touchdown. The Millcreek combine came back quickly with a 20-yard touchdown pass to take a 7-6 halftime lead. In the third quarter, Conneaut scored two touchdowns to sew up the game. Millcreek was definitely not out-played, as they made thirteen first downs to Conneaut's seven, but old man weather was just against Millcreek in our final game of the season.

Basketball Summary

Millcreek's basketball team of 1949-50 can be classed as a "Mr. In-between," for in competition with county schools the boys made excellent showings, but when matched against the strong schools of Erie, they did not fare too well. Millcreek won all of its contests with their county neighbors, but lost all but three games in league competition. These were thrilling upsets against Tech, Corry, and Strong Vincent.

The contest most likely to be classed as "Most exciting game of the season" would be

the Corry game. Don Metzler became the hero of this game by tossing in a charity throw with the score tied-up after an over-time period.

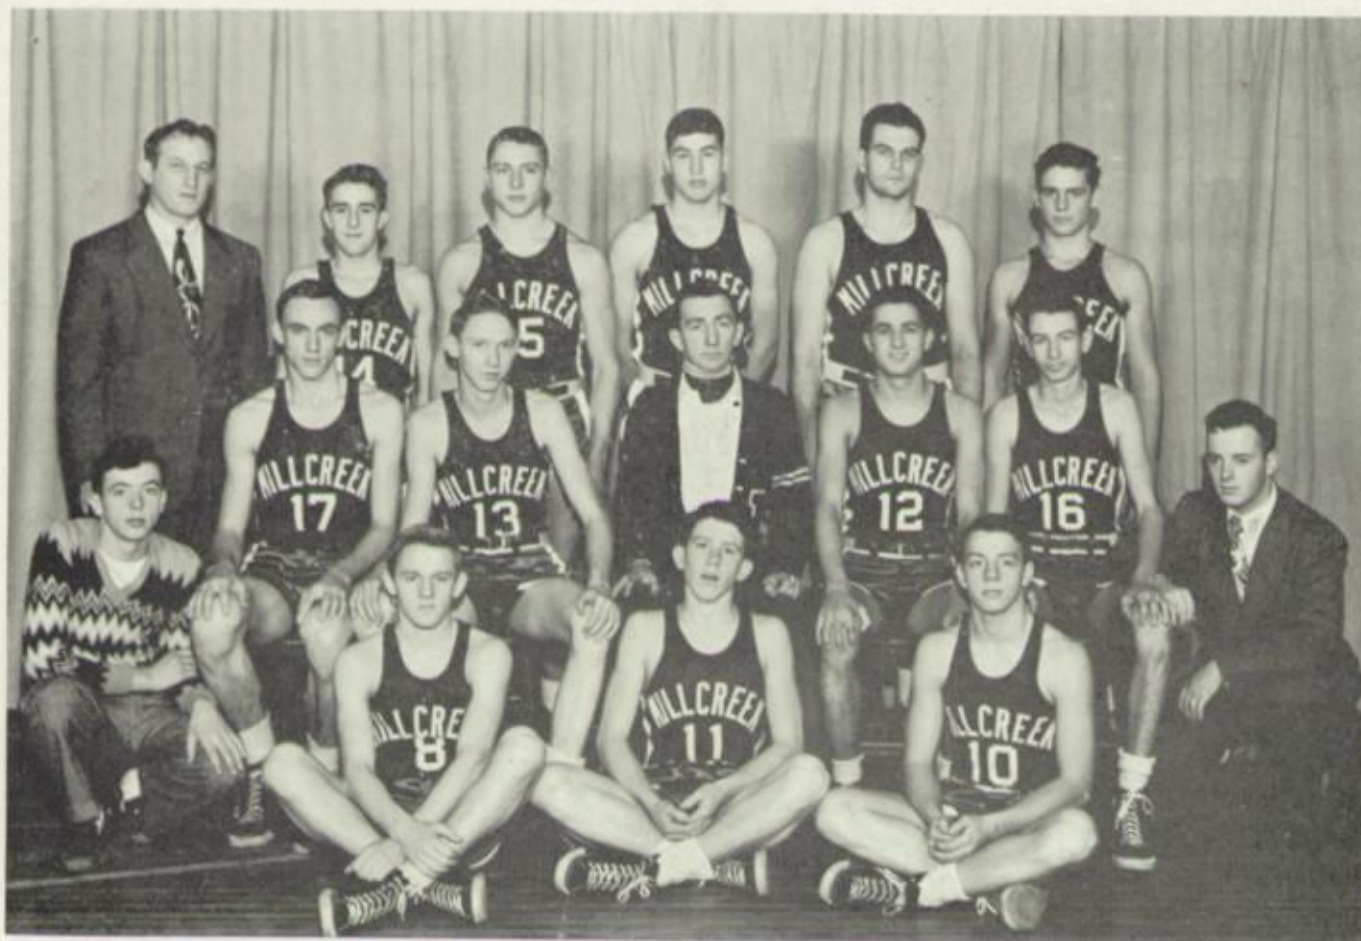

The team was without the services of their captain, Jack Komora, during half of the season, because of his injury received on the gridiron.

Even though Millcreek's basketball squad lost many of their games, their spirit and determination made the fans stand by them throughout their games.

Hi-Y Basketball

The shrill blast of whistles and the thud of falling bodies earmarked play in the Hi-Y loop this year. After all the din had subsided there was one team that stood head and shoulders over the other five. It was the team fielded by the Millcreek Gamma's.

They blasted their way through the first half of league competition, going undefeated in their first five games. They defeated the strong Millcreek Betas, the powerful Academy team, East, Vincent, and Harborcreek. The only games lost during the first part of the year were at the hands of the mighty Oil City team that later captured top honors in the Northwestern District Tourney at Oil City.

In the second half of loop play it was the Millcreek Betas who dominated the other teams. They started out like a house afire by trampling East, Vincent, and Harborcreek. However, they met their matches in the Gamma and Academy teams. In two rough and tumble contests they fell to close defeats, knocking them out of the running for the last-half honors.

After losing two straight games at the outset of second-half play the Gammas thundered back to win three straight, tieing Academy. They then played Academy for the cup and came out on top.

Junior Varsity Football Team Gets Training For Future

The purpose of Millcreek's J. V. Football Squad is to prepare these bcys for future varsity competition. One of Millcreek's unwritten laws about sports competition is "It isn't whether you win or lose, it's the way you play the game that counts." The coach of the J. V. Football team this year was Bud McCoy, who used strict discipline on the boys. After several infractions, the season was limited to two games. Millcreek lost both of these, one to Harborcreek 12-6, the other to Albion 6-0. But under Bud McCoy's coaching they learned how to win and lose, so the team and Millcreek took the season losses in their stride, and hope for a better season next year.

Junior Varsity Basketball

The J. V. basketball team had a highly successful season as far as gaining needed experience for future use on the varsity was concerned. However, as far as winning games, they were not quite as successful. Although holding their own against the county teams, they failed to win a game against the more powerful city schools.

Ed Werner captained the team and was runner up for high scoring honors. Joe Benacci was high with 75 points for the season. The team was hampered throughout the season by practicing on a small floor and playing most of their games on a much larger floor.

The team was ably coached by Bud McCoy who taught his charges good sportsmanship as well as the fundamentals of basketball. He was capably assisted by John Patton and David Kahl, the managers.

1st Row: Gloria Suarez, Peggy Heldt. **2nd Row:** Pat Moore, Mary Lou Chiffon, Marilyn Longley, Vi Schneider.

The Cheerleaders

Listen to the crowd cheer as the team comes out! Who is leading that demonstration? You're right, the cheerleaders. These six girls, under the direction of Mrs. Samuelson lead the crowd, keeping up the morale of the team and spurring them on to victory. The cheerleaders are always on the job, win or lose, rain or shine. When everything looks dark they always seem to have that last burst of energy that encouraged everyone.

To be a cheerleader you must have an energetic nature, be interested in your school and team, and be ready to stand up for Mill-

creek, no matter what. These are just a few of the important characteristics of our cheerleaders. These girls have all that is necessary.

They build enthusiasm among the student body by means of their pep rallies, which they try to make as interesting as possible.

Not only do they spread pep throughout the crowd but they also have social responsibilities. They sponsored a dance after a game and they were seen, as usual, in their cute Arabian costumes selling gum and candy at the P. T. A. Bazaar.

JUNIORS

Skating Parties! Dances! Assemblies! Activities galore have kept the Juniors' thoughts on the day they will take over as high and mighty seniors. This year the Junior class has really shown what co operation can do! The class, all one hundred and twenty of them, have been active in many phases of school affairs during the year.

One of the most important events of the year for this class was their junior play entitled "Strange Boarders" which was given under the excellent direction of Miss Laura Sherrange.

At the Junior Skating Party given in the fall, many of them were seen showing off their skills, to say nothing of those who took graceful spills.

JUNIORS

On the evening of March 25, these fun loving people were again found in the spotlight as they enjoyed themselves at their Class Party in the school gym.

The Juniors did themselves proud by preparing early for their biggest social event in honor of the departing seniors. Soft lights, sweet music, and swishing formals portrayed the atmosphere of the Junior-Senior Prom. This sentimental

evening will linger long in the memories of those present.

The Senior Baccaulaureate and Commencement Services would not have been complete without the assistance of the Juniors who cheerfully ushered for these occasions.

This class is very grateful to Mr. Lloyd, Mr. Korrell and Miss Sherrange who served as faculty advisors throughout the year.

Always ready with a helping hand! This description fits all one hundred and sixty of this year's Sophomores. The Hub, choruses, basketball and football teams, Y-Teens, G.A.C., Latin Club and other organizations have all been glad to receive the eager aid of these students.

Many ambitious Sophomores were kept busy at one of their three booths at the Christmas Bazaar, where they sold ice cream, comic books, and chances for the fish pond. All those attending their skating party, on January 25, remarked about having a "bang-up" time. The stage talent of the Sophomores was ably displayed during the tenth grade assembly in March.

All the Sophomores seemed to enjoy the opportunity to get together at the class party this spring. They will never forget that evening of fun and frolic.

With the position of leadership this class has all ready earned, they will prove to be a credit to Millcreek in the future years. Certainly, the guidance of faculty advisors Miss Johnson, Miss Fry, Miss Zuck, Mrs. Hiedecker, and Mr. Barr has helped them to bring out their finer qualities.

The Freshmen Class, one hundred and eighty-seven strong, has been one of the most amazing groups of enthusiasts yet seen at Millcreek. Many of its members have contributed their talents and hard work for the betterment of our school life. For example, both Junior Varsity Football and Junior Varsity Basketball teams were given a boost by the able help of Freshmen players. Others cheered vociferously for the teams, not only at the games but also at the pep meetings.

Freshmen participation in extra-curricular activities, such as Girls' Chorus, Mixed Chorus, band and G.A.C. was extraordinarily high for a ninth grade class.

In spite of the next day's aches and pains, everyone expressed enthusiasm for their skating party on February 22. Another high point of the year was the Class Play written and directed by Shirley Kuhns entitled, "Leave it to Peggy." This highly enjoyable three-act comedy was presented for the school on February 24th. The decor of the Christmas Bazaar was another scene of Freshmen ability. Here they operated the cloak booth as efficiently as seasoned businessmen.

These ninth graders received much guidance from their faculty advisors: Mr. Payne, Mr. Anderson, Miss Videtto, Mr. Nason, and Mr. Hayes. Their patience and understanding were very valuable to the students.

Millcreek has the unique distinction of being a school with two senior classes, one in the high school and one in the annex. This graduating class of the annex is the eighth grade, who only last year were the shy newcomers to the routine of junior high school.

Their enthusiasm was unparalleled, they sponsored a dance, a skating-party, and a campaign to purchase clocks for the rooms and halls of their building. All of these activities were highly successful, both socially and financially.

When these seniors of the annex become the seniors of the high school, we are certain that they will be a great credit and a great asset to Millcreek.

Crowds! Noise! Confusion! No, this isn't Grand Central Station. It's the halls of the annex on September 6, 1949. Here all the anxious newcomers met their first taste of high school life.

This group of high-spirited lads and lasses put forth a great deal of pep and energy in all their activities. These talented students presented a Thanksgiving play in November. Another holiday was commemorated by this class with a Lincoln Day program.

The Seventh Graders have given many musical presentations through the beginners string class, beginners band and the Seventh Grade Chorus.

Together with the eighth grade, this class earned enough money to buy a clock for each room in the annex. This was done by various skating parties and a variety show at the P.T.A. Bazaar.

All the students and faculty are glad to have this progressive group at Millcreek and look forward confidently to their future years.

Millcreek Band Makes Music All Year

The band is an integral part of the school, and Millcreek's band is no exception. An all-around organization, this group adds to school life by marching at football games and by presenting a variety of musical selections.

This year's marching band, under the leadership of Mr. Rishell and Drum-major Ralph Presta, provided all the moral support necessary to good football games. The hard work and practice held during the summer months was most worthwhile and enabled the band to be "rarin' to go" for our first game.

The concert band, after many hours of diligent rehearsal, presented a very fine showing in the spring concert.

Not all band work, however, was limited to our school. Members of our band took part in the marvelous spectacle given by the East-West All-Star Band in the fall. Millcreek was also well-represented in the Northwest District Band. From there Don Lambert was honored to be selected for the second time to play in the All State Band.

Officers of the band were: Don Lambert, President; John Werner, Vice President; Bill Ralph, Secretary, and Jack Botwright, Treasurer.

Swing and Sway Artists

During the past year, the Orchestra has played for the Junior Play, Senior Play, Christmas Program, "Songs from Show Boat", and Commencement. A very major contribution was their annual Spring Concert. At all of these programs they did a very fine job.

This year Mr. Todd Rishell was assisted by a fine group of officers, President, Dick Fralick; Vice-President, Charles Roward; and Secretary-Treasurer, Evelyn Middaugh.

Thirteen members of this group also attended the Northwestern District Orchestra at Warren; while one of this number, Dick Fralick, also attended State Orchestra at Hanover. At these orchestras the musicians learned how real symphony orchestras are directed and also the kind of music played by these orchestras.

Congratulations should be given to Mr. Rishell and his musicians for their fine performances and hard work.

Choral Groups Enrich Musical Scene

The beautiful choral voices of the A Cappella chorus under the direction of Mrs. Phasey began the year in harmony with election of officers. Sonya Stroble was president, assisted by Harry Elliott, vice-president. The chorus' treasurer was Alan McCombs. Marion Benyon and Dorothy Benacci were librarians, while the robes were attended to by David Michaleski, Audrey Weber, and Kathleen Hunter.

They made public appearances this year and as usual, they were all a success. One of their accomplishments was the Operetta, "Showboat," in May.

Students who were best able to read music were selected to represent Millcreek at the Northwestern District Festival, held this year at Lawrence Park.

It has been another busy year for A Cappella. Mrs. Phasey deserves a great deal of credit for all the time and effort that she gave so cheerfully to making this group one of the most active organizations of the school.

Each year the best singers from A Cappella are chosen to form a double quartet. Also under the direction of Mrs. Phasey, the Double Quartet sang for the senior class Commencement Exercise.

Mrs. Phasey picks these singers so their voices will harmonize perfectly with each other, therefore producing wonderful music. These students, only able to meet every other week from 8:10 to 8:30, are doing a wonderful job.

Another chorus that is picked from A Cappella is the Boys Glee Club. This chorus gives the boys of Millcreek a chance to show their music ability. These boys joined together at Christmas time with the A Cappella in their annual Christmas program. We are all proud of the wonderful job Mrs. Phasey and her boys have done.

Mixed Chorus

One of the many new choruses of Millcreek is Ninth Grade Mixed Chorus. Under the direction of Mrs. Phasey, these freshmen are taught to read music and how to sing well. These members will be our future A Cappella. Mrs. Phasey has done a wonderful job with this class. Already she has two students able to read music well enough to be sent to the Northwestern District Festival at Lawrence Park. From the singing we hear each sixth period we are confident they will make, in future years, an A Cappella we will be proud of.

Musical Harmony Their Specialty

The Girl's Chorus is one of Millcreek's oldest clubs. It is composed of our best female larks from the tenth to twelfth grades. They gave many concerts this year, one of which, was held at Monclair School. Dressed in their robes of traditional blue and white, they make a very pretty picture to go along with the beautiful music. We are very proud of the work our Girl's Chorus did this year.

SEVENTH AND EIGHTH GRADE MIXED CHORUS

Mrs. Phasey's latest contribution to the art of music is her seventh and eighth grade chorus. The chorus was developed in order to create better interest in music among the seventh and eighth graders. These boys and girls for the Annex are really being taught the finer points of how to read and sing music. They are learning to sing well together in preparation for the time they will be able to sing in A Cappella. We are sure that when these seventh and eighth graders become seniors, Millcreek can be justly proud of its choral activities.

Student Council Boosts Student Faculty Cooperation

Activity was the by-word of this year's Student Council. From the election of officers in September to the final meeting in May, they participated in a number of school affairs, not to mention a few activities concerned with improving the council itself.

With Violet Schneider presiding over every meeting, the thirteen representatives decided on a number of issues. Foremost, perhaps, was the future of Student Government at Millcreek. Six members of the group made a tour of Meadville High School, examining in particular, the methods of Student Government. They found such government in a very advanced stage of development much more so than any such endeavor at Millcreek. Several suggestions for patterning our future Student Council after that at Meadville entered into the records, with the thought in mind that many of the burdens of administration could be removed from the shoulders of the faculty.

Early in the year the Council conducted its "council clean-up campaign." This was an effort that could have easily been forgotten before it was started.

They were successful, to a certain degree in answering such things as complaints about the quality, quantity, and price of the food in the cafeteria. After many lengthy discussions with persons directly concerned with the maintenance of the cafeteria, a program was instituted that improved the situation.

As a sideline the members were posted as hall monitors at certain times of the morning and noon. These monitors were instrumental in relieving congestion and disturbance at key points in the building.

The task of keeping order in the crowds entering and leaving the auditorium was also placed up to the Council. They chose certain groups of ushers to enforce the "traffic" rules, a job which they handled very well.

The final contribution by members of the Student Council was the welcoming and guiding the consultants at Career Night, held in April. At this time, as at any time, the officers and members were glad to contribute their services to the betterment of the school and its pupils.

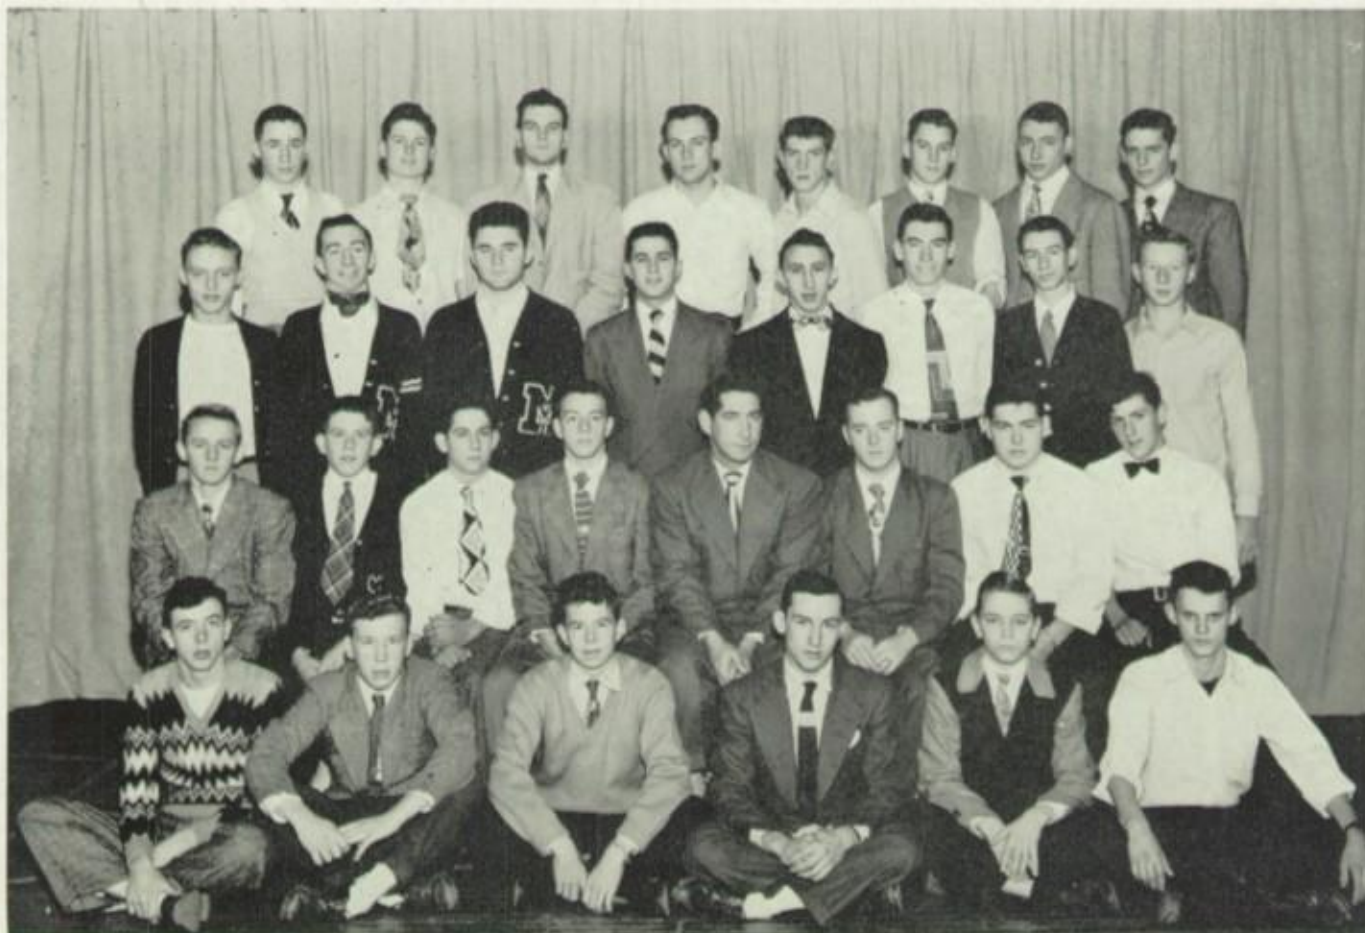

Students Help Plan Entertainment Program

The Assembly Committee is made up of a group of students and teachers picked by the various classes. The job of this Committee is to plan all the assemblies to be given during the school year. This year was the first year that Millcreek had this Assembly Committee and they really did a terrific job. Each class and organization was responsible for one assembly. It was the job of the Assembly Committee to set the dates for these programs and to decide what grades were to see them. Besides the programs that were put on by the students themselves, the Assembly Committee also planned many paid assemblies. The price was always kept low enough so that any student could afford to come.

Hi-Y Boys . . .

This year the leadership of the Beta Chapter of the Millcreek Hi-Y was undertaken by Paul Goll.

This organization held dances, parties and other social affairs throughout the school year. The Hi-Y basketball team competed with other schools in the Erie area.

Some of the boys participated in other Hi-Y activities also. Ronald Melgard was elected Vice-President of the Northwest District Hi-Y—Tri-Y Youth Council. Roger Gillingham and Donald Corbett represented the Beta Chapter in the conference in Meadville and Donald Corbett was elected to go to Harrisburg as a Senator in the Hi-Y youth and government program.

The officers were: Pete Stadler, President; Jim Jackson, Vice-President; Jim Carter, Secretary; Don Corbett, Treasurer.

. . . Work for Fellowship

This year a new Hi-Y was formed. It was made up of entirely new members and named the Gamma. Mr Raymond Hayes became the very capable advisor of this group and the club officers were: President, Dick Fralick, Vice-President, Gary Rautine; Secretary, Bill Ralph; and Treasurer, Elmer Zeigler.

During the year, a number of speakers were heard, a banquet and dance was held, and a dance in conjunction with the Y-Teens was attended by many. The Gammas also had a basketball team that won the championship in the Hi-Y league.

In the future, the Gamma Hi-Y expects to give many notable services to the community; thereby living up to its principles of "Creating and maintaining high standards of Christian Character".

Newshawks Cover The School

Is your name in the pink sheet this week? This is a question that is heard everytime the Hub, Millcreek's newspaper, comes out. Edited by Audrey Weber, the Hub has grown in popularity and circulation since its beginning, 13 years ago.

This year many new things have been added to the Hub. There is now a whole page devoted to sports and a new sheet which is mimeographed to give the Millcreek students the latest gossip about the school and the students.

The members of this organization devote much of their time to the publishing of this newspaper and under the helpful direction of Advisor James Barr produce a paper of which we can be truly proud.

Girls Participate in Program of Sports, Socials, Service

The Y-Teens are closely affiliated with the Y.W.C.A., where many of their activities take place. The purpose of the Y-Teens is to provide constructive activity and promote better understanding among all girls.

This year the leaders who planned and directed the many activities of this organization were the president, Mary Leonard; Vice-President, Barbara Smith; Secretary, Dorothy Clinton; and Treasurer, Jean Botwright. Marilyn Longley was elected Program Chairman; Elaine Keeler, Social Chairman, and Phyllis Bridger was named Service Chairman. These girls were elected by their fellow members as being notable in leadership, ability, interest, and capability.

The first large activity to be undertaken was the annual fall "Tri-Dance." Peggy Heldt was the chairman of this formal dance named "Stardust Silhouette." All decorations and programs corresponded to this theme.

Christmas is always a busy time, especially for Y-Teens. It is then that Christmas cards and wrappings were sold, toys and clothes collected to send overseas to needy families, and Christmas seal booths manned in downtown stores and banks. The "Hanging of the Greens" was the most prominent social event in December. The girls decorated all the rooms of the Y.W.C.A. in gay Christmas ornaments, went caroling and observed the old English custom of burning the Yule Log. At the Christmas Bazaar the Y-Teens had charge of a booth which they named the "White Elephant Booth" and which was one of the main attractions of the bazaar.

In January, a "Splash Party" was held in the Y.W.C.A. swimming pool. The sports enjoyed by Y-Teens girls include bowling and basketball, and this year a great basketball team had been organized. It took second place in the tournament.

A "Teacher's Tea" was held in February and a little later a "Father and Daughter Tea" was given at which all Y-Teen fathers were honored. Entertainment at both teas consisted of Y-Teen talent and proved a large success.

The last big event on the Y-Teen social calendar, and perhaps the one most looked forward to was the exciting "Spring Tri" which was held at romantic "Rainbow Gardens."

Home Ec Girls Ply Needles, Study Recipes

The F. H. A. is a national organization of girls who are studying and training to become good homemakers of tomorrow. These girls learn the techniques of planning and maintaining good homes and family life. This year's club is larger than any previous year. A few of our girls had the privilege of attending the State Farm Show in Harrisburg in January. Mrs. Heidecker has done a splendid job as their advisor. This year's officers were:

Habla Usted Espanol?

The bursting of pinatas full of candy and the cracking of Cascarones full of rice were among the things that took place during the annual Spanish Fiesta at the Christmas Bazaar. These and other "south of the border" customs were introduced to Millcreek students through the many projects of the Spanish Club. In its second year of existence, the Spanish Club has flourished into a major activity in our school thanks to Senorita Laura Sherrange for her superb leadership.

In March, the Spanish Club presented to the student body a very colorful comedy. Some of the students dressed in bright Spanish costumes did various dances adapted from Spain and Mexico. A mock bull fight was enacted with two students portraying the part of the bull, while a mayor with his six beautiful señoritas presided over the program.

The officers of the Spanish Club for the year 1949-1950 were: Sonya Stroble, President; Charles Knight, Vice-President; and Carol Woodin, Secretary-Treasurer.

Dico Lingua Latin

The Latin Club was organized two years ago to encourage a greater interest in Rome and the gifts of the Roman civilization to ours. It provides a broader cultural background which in turn makes a study of the language more meaningful.

Early in the school year an assembly was presented by members of the club. The program consisted of a play called "Captivi" which was rewritten from the play by the early Roman, Platus. All of the actors wore costumes modeled after those worn by the Romans, and even their hair styles were similar to those worn by the people of that time.

On December 22, a "Feast of Saturnalia" was celebrated at the school. Many of the teachers were invited as guests of the Latin Club. This feast was patterned after the one held by the Romans and which corresponds to our Christmas. Slaves were chosen from the Latin I class to act as waiters. All research was done by the students themselves and every detail, from the three courses of food served to the costumes worn by the guests and slaves, was as near like that of the ancient Romans as possible.

Only Latin II students are eligible to join this organization. The officers elected this year were: Sandra Ambro, President; Don Jackson, Vice-President; and Ronald Palmer, Secretary-Treasurer.

Library Club Keeps Books In Order

The Library Club, under the sponsorship of Miss Margaret Powell, was formed to stimulate reading interests, and to create a greater demand among the students as to the use of books and library service.

The officers who presided over the club during the 1949-1950 term were: Joan Sample, President; Helen Haines, Secretary-Treasurer; and Charles Vash, Reporter. These officers, along with the full support of Miss Powell and the other assistants, have accomplished a great deal. Many new books have been placed on the shelves in the library, and the book selection is very much improved. There is also a much more efficient system of circulation. Everything in the library is done on an exact plan.

New assistants were trained during the year to take the place of the assistants who graduate. We know these new assistants will work just as efficiently as the old ones to help keep the library a pleasant place to read and learn.

The club has a yearly Christmas party and a few informal gatherings throughout the school year.

It is the aim of the club to teach others to respect and enjoy our library and its many assets to a good education.

And So We Believe That . . .

The question for debate this year was, "Resolved: the President of the United States should be elected by direct vote of the people." The teams had six debates apiece with city and county schools, the Affirmative winning four and the Negative winning three.

Forrest Walters, an Affirmative debator debating for four years, represented Millcreek at the Lake Erie Debate League Banquet at Culbertson Hills Country Club in Edinboro and was chosen the best debator by Judge Burton R. Laub.

The debators, who receive letters for their efforts, elected Charles Suerken as President and Forrest Walters as Secretary of their club.

Students Do Background Work for Plays and Programs

Stars flickering in the sky and a manger that glowed in the dark are only two of the dramatic effects that were achieved by the stage crew. The chief purpose of the stage crew is to prepare the stage for plays, musical programs, or other stage productions; and to lend aid to organizations or classes requiring help on special equipment for purposes other than the stage, such as dances and parties.

The membership is comprised of boys and girls who are taking shop, academic subjects or art. The art and academic students do special work for plays, such as making scenery and advertising.

Some of the plays that had stage settings prepared by the stage crew were: Freshman, Sophomore, Junior and Senior Class Plays, Spanish Club Play, and the Latin Club Play. Many other settings and props made by these boys and girls were used in the Y-Teen Programs, the Pep-Meetings, and many other assemblies. The Kaldron is also indebted to the stage crew for the hanging of the curtains in the gym to form the photography background for many of the activity and class pictures.

The whole school owes a vote of thanks to the stage-crew for helping to make their performances a success.

Working and Learning for Better Farming

The Millcreek Future Farmers of America is an unusually well rounded organization. Its social and working aspects have been very well carried out this year.

In November, the F. F. A. square dance was held and much enjoyed by all who attended it. During the winter months, these boys formed a basketball team and spent much of their time practicing and playing. The banquet and installation of new officers was held in April.

This group was well represented in trips to both Harrisburg and Pennsylvania State Farm Shows. Millcreek has reason to be proud of the showing made at these events. Tractor demonstrations and tree pruning on nearby farms may also be added to this list of accomplishment.

With the help of the officers and advisor Jeff Payne, the boys have made this group a good representative of Millcreek in every respect.

Doing for Others is Motto of Group

Millcreek can well be proud of the work done by the Red Cross organization this year. Just a few of their worthwhile activities have been collecting money for the National Children's Fund Drive, collecting and filling boxes for children in Europe at Christmas time, and making different articles for veteran's hospitals.

Gordon Root is the president of the Millcreek Red Cross, Ed Newsham is the vice-president, Lois Skelton is the secretary, and Katherine Evans is the treasurer.

Millcreek's president, Gordon Root, is the vice-president of the Erie Chapter of the Red Cross. He attended a Red Cross conference in Atlantic City.

Under the guidance of Miss Fry, the Red Cross has come to be one of Millcreek's most popular and worthwhile organizations.

Secretaries-To-Be Gain Skills for the Future

The Commercial Club is an organization of girls who are training for office work. Miss Zuck, the commercial teacher, is the club advisor. The officers of the club are: Edna Lawrence, President; Norma Ames, Vice-President; Rosemary Dunst, Secretary-Treasurer.

The purpose of this club is to help its members become acquainted with the duties of a secretary. The members learn about many helpful things including grooming, manners, courtesy, and numerous hints on how to do their work well and easily. They learn how to meet people and associate with them.

This year the girls in the club have had some good times. They had a party at the beach last fall and they had a party at Christmas. The day before the Christmas party a few of the girls decorated the Club room and helped to make things a little brighter for all students visiting the room.

All in all the Commercial Club is one organization in which all members participate freely in working together to produce better qualities in secretaries and office workers.

Girls Maintain Sports Program

From the first volleyball game to the last mushball game, our girl athletes are on the job. Under the leadership of Mrs. Samuelson, the Girls' Athletic Club has secured a prominent position in Millcreek's spotlight.

The president this year was Thelma Arnold; Jean Botwright was chosen to assist her as vice-president. Dorothy Benacci's job was, as secretary, to keep the books and records, while Treasurer Carol Christenson's duty was taking care of the money.

Three girls are chosen each year to take charge of the various sports: volleyball, basketball, and tumbling. These girls take charge for the week nights after school meetings and help other girls at their sport. This year Barbara Widdifield has charge of volleyball while Audrey Adams took care of basketball; Audrey Lucas had charge of the tumbling team.

Probably the first purpose of this organization is to offer the girls an opportunity for earning a high school letter. Points are awarded by participation at school sponsored extra-curricular activities. The time girls with the highest points are given the well earned, long awaited "M".

Not only is the G.A.C. tops in athletics but they also have planned many social activities. They had their annual Girls Night; sponsored a dance, and also a play day was held at Millcreek at which our neighboring schools were honored with a luncheon and then a basketball tournament was held.

Mrs. Samuelson and our G.A.C. members emphasize good sportsmanship during all events and it is reflected in the attitudes of winners and losers alike.
